# NEGLECTED CHILDREN

HOW CAN **YOU** HELP?

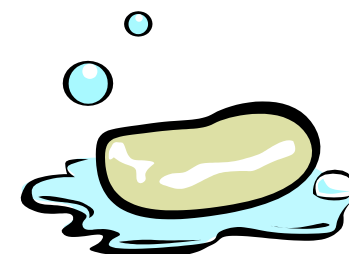

Do you know a child that is often/always:

Wearing clothes that don't fit?

Hungry?

Smelly?

Poorly?

How would you **FEEL** if for **MOST** of your life you have:

How would you **LOOK** if :

- Your clothes didn't fit
- You never had enough sleep
- You never had a bath or washed your hair

How would you **SMELL** if:

- There was no soap or water in your house
- You wet the bed and no-one cares
- There were no clean clothes for you to wear
